David L. Hits A Homerun With His Fourth Book Release!

Gritty Street Tale Proves You Only Get One Chance To Make A First Impression!

Brooklyn, NY/July 2010 – REPRESENT (Total Package Publications, LLC, 2010, ISBN 978-0-9789276-3-9 by David L. is a cautionary drama that keeps the reader glued to their seats, anticipating what will happen next. The story is centered around two siblings leading two very different lifestyles. Older sibling Trenton receives a life sentence for his role in the execution of a rival enemy, while little brother Prentice is playing semi-pro football and looking forward to his upcoming graduation from college. What happens when family loyalty is questioned and the right choice is not so clear? Does retaliation and revenge become more of a priority than staying on the right path? What will be the end result? That appears to be seen.

“Whenever something negative happens in one’s life, the media takes the story and runs with it,” says David L. “I wanted to clearly illustrate that there is a fine line between right and wrong. What is right for one person may be very wrong for the next.”

Clearly a page turner and a storyline that will keep the reader’s eyes wide with anticipation, REPRESENT is not only about two brothers and the choices they make. It is about family honor, the inner strength to avoid peer pressure and the repercussions of ill-fated choices. This most recent novel by David L. tackles everything from police corruption to deception amongst peers with precision and accuracy.

“You get it all with my newest title,” says David L. “I am giving you scandal within law enforcement, betrayal between lovers and business associates, family turmoil, death and dishonor...all rolled up in one very fast-paced book. REPRESENT is the book you need to have if you crave ongoing action and drama!”

David L. is a critically-acclaimed and award-winning author from Brooklyn, New York.
